

HEAVY EQUIPMENTS MAINTENANCE SOLUTIONS

Chemical Products for your
Heavy Equipment Operational Support

 **POWER**
CHEMICAL SERVICES

Longer Lifetime of Your Most Precious Heavy Equipment Assets

Heavy Equipment are always on duty, whether it's your Dump Truck, Excavator or Dozers, your equipment deserves the utmost care. It needs to be cleaned after work & be protected from various problems such as corrosion & scaling.

Our products such as **POWERCOOL™** for protecting your heavy equipment radiator system, or our **POWERCLEAN™** product to remove any grease and dirt on your heavy equipment after a long day of operations, are your solution for maximizing your heavy equipment asset lifetime.

Our **Heavy Equipment Supports Products** are a perfect fit for:

- Increase heat transfer efficiency for heat removal from engines
- protect your radiator system from corrosion & scaling problems
- Prolonging your heavy equipments lifetime by excellence internal maintenance

Our Chemical Products

POWERCOOL™ : Radiator Coolant for Heavy Equipments Engines

Heavy equipment such as Dump Truck, Excavator, Dozers and even generators produce heat as a result of their internal combustion engines. These excess generated heat must be removed efficiently with a cooling agent. Our **POWERCOOL™ Heavy Duty Radiator Coolant** is not just cooling your engines but also protecting it from various corrosion attacks

Our POWERCOOL™ Product Benefits:

- Increase heat transfer efficiency for heat removal from engines
- protect your radiator system from corrosion & scaling problems
- Prolonging your heavy equipments lifetime by excellence internal maintenance

POWERCLEAN™ : Industrial Cleaner & Degreaser for Heavy Equipment

Dirt and dust accumulated from heavy equipment operations must be removed periodically to maintain the lifetime of your heavy equipment. Cleaning the outside of your dumptruck does more than just make it aesthetically pleasing. It means that the dump truck will operate smoothly, as there is no grease or grime on the joints. Our **POWERCLEAN™** are your solutions for quick & easy dirt removal from your heavy equipment

Our POWECLEAN™ Product Benefits:

- Smooth operations of heavy equipment due to no grease or dirt on joints
 - Aesthetically pleasing with a clean and dirtless surface
